## **i About the Institution**

KINGS ENGINEERING COLLEGE was founded by Late. Dr.Oorvasi D. Selvaraj M.A., M.Phil, and managed by the Chartian Educational and Health Trust, a Registered Trust of public nature for Educational and Charitable purposes in the year 2001. The Vision of Kings Engineering College is to provide industry relevant technical education, motivate our technocrats to carry out skilful research and encourage innovation and thereby uplift our society through technology. The college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai, TamilNadu. The college offers the following 4 UG programmes Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Mechanical Engineering. The college maintains high standard of education by providing a wide array of excellent academic facilities, employing highly qualified and experienced faculty members and creating an ambience conducive for quality education. The management motivates all students to find a niche in the society by providing quality education, discipline and high level of placement

## **About the Workshop**

The workshop is designed to impart the participants with knowledge of research methods, research process, use of research tools and techniques, journal writing skills to the young researchers.

The specific objectives of the programme are:

- To familiarize participants with basic research methods
- To enhance knowledge base and develop skills of participants for selecting appropriate research technique
- To provide guidelines about project report, dissertation, thesis, manuscript and project proposals writing
- To provide the participants with a broad overview of design of experimental techniques

By the end of the programme, the participants should be confident in using the right methods and tools to carry out their research work.
