

ABOUT THE INSTITUTION

Kings Engineering College (KEC), is an institution par excellence, started in the year 2001 to provide world class technical education to students and inculcate a very high sense of values and critical intelligence in them, simultaneously train students to develop a humane approach to life's challenges and It is managed by the RAJAM GROUP OF COMPANIES, Chennai that also manages Queens Land Amusement Park and the star category Resort Hotel – Pleasant Days. **Thiru.D.Selvaraj** is founder of the institution. He is a far sighted statesman known for his humility, honesty and hard work. At the helm affairs of the college is **Dr.NaliniSelvaraj**, Chairperson of the Kings Engineering College, taking care of the academic requirements of the Institution and she is supported by **Mr.S.Amirtharaj**, Director of Kings Engineering College, Who takes the responsibility of the day to day working of the college. KEC is approved by AICTE, New Delhi, and affiliated to the Anna University, Chennai and it is a self financing Christian minority institution situated at Irungattukottai in Sriperumbudur taluk on the Chennai-Bangalore Highway.

ABOUT THE DEPARTMENT

Electronics & Communication Engineering (ECE) department was established in the year 2001 with a vision to create a forum, where we can deliver quality education to the students to gain specialization in the area of Electronics and Communication Engineering in order to make them as innovators and researchers. The department has qualified and committed faculty members with good infrastructure. The department has an IETE forum and we organize workshops, seminars and guest lecturers regularly. The department is keen in promoting R & D activities and providing useful opportunities for the development of the students and teaching faculties.

Objective of the FDTP

The objective of this programme is to introduce the principles and standard procedures available in the area of Medical Electronics such as electro-physiology and bio potential recording, bio-chemical and non electrical parameter measurement, human assist devices, physical medicine and biotelemetry, recent trends in medical instrumentation. Participation in the programme will be helpful for the faculties teaching the subject MEDICAL ELECTRONICS (EC 6001) for the sixth semester B.E. Electronics and Communication Engineering students.

About Registration:

- Number of seats restricted to 25 only.
- No registration fees.
- No TA/DA will be provided
- Selection on first come first served basis.
- Selected Candidates will be intimated by e- mail

You can send the scanned copy of duly filled in Registration forms to the Co-ordinator through e-mail ece.hod@kingsengineeringcollege.in on or before 16.11.2016.

SEVEN DAYS FDTP ON MEDICAL ELECTRONICS (EC 6001)

23rd–30th November, 2016

**FDTP on
MEDICAL ELECTRONICS (EC 6001)**

23rd-30th November, 2016

REGISTRATION FORM

1. Name :
2. Designation :
3. Qualification :
4. Age and Gender :
5. Professional Experience (in years)
Teaching :
Industry :
6. Did you attend this course earlier: Yes/ No
7. Address of the college / Institution:
8. Research Interest :
9. Mobile :
10. e-mail :

The information provided by me is true to the best of my knowledge. I agree to abide by the rules and regulations governing the FDTP. If selected, I shall attend the programme for the entire duration.

Date :

Place:

Signature of the applicant

SPONSORSHIP

Dr./Mr./Ms./ _____
is an employee of our college/institution.
He/She will be permitted for the above FDTP if
selected.

Signature of the Principal with Seal
